The Administrator of the sanation estate of PKP CARGO S.A. under restructuring ("the Company," "PKP CARGO", "Issuer") announces that today, on its own behalf and on behalf of the Company, it filed with the District Court in Warsaw, through the Prosecutor of the Regional Prosecutor's Office in Warsaw, a complaint against the decision dated November 6, 2026, to discontinue the investigation into actions detrimental to PKP CARGO (Case No. 2010-1. Ds.49.2025), as reported by the Issuer in Current Report No. 89/2026 on November 17, 2026.

The appeal concerns the dismissal of the investigation into:

- causing financial damage to the Company while implementing the decision of the Prime Minister dated July 25, 2022, as amended by the decision dated October 6, 2022, during the period from July 25, 2022, to July 31, 2023;

- causing financial damage to the Company in connection with the continued lease of railcars during the period from April 1, 2023, to October 31, 2024.

In all other respects, the Administrator did not challenge the decision.

The Administrator requested the repeal of the decision in the contested part and the referral of the case to the prosecutor for further handling.

Issuing the decision and submitting the complaint does not determine the liability of any persons. The Prosecutor's decision and submitting the complaint also do not affect the existence or scope of claims pursued on behalf of the Company in civil proceedings against the State Treasury, which the Issuer reported in current reports 132/2025 and 73/2026.

The Administrator will provide information on further significant developments related to this resolution in separate current reports.
