Scope of Review

We conducted our review in accordance with National Standard on Review Engagements 2410 consistent with International Standard on Review Engagements 2410 *Review of Interim Information Performed by the Independent Auditor of the Entity* adopted by the National Council of Statutory Auditors' resolution No. 3436/52e/2019 of April 8, 2019, as amended. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than audit conducted in accordance with National Standards on Auditing consistent with International Standards on Auditing adopted by the National Council of Statutory Auditors' resolution No. 3430/52a/2019 of March 21, 2019 (as amended), and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
