

Warsaw, June 19, 2026

Mr. Leszek Miętek graduated from the Railway Technical School in Bydgoszcz in 1983, specializing in the operation and repair of diesel traction vehicles.

He also earned a college degree from the Faculty of Management at the Warsaw School of Management, specializing in Business Management and Human Resources Management.

He has passed the examination administered by the Minister of the Treasury for candidates to the Supervisory Boards of State-Owned Companies.

For many years, he served as the employee representative on the Supervisory Boards of PKP S.A. and PKP CARGO S.A.

Since the beginning of his professional career, which he began in 1983 in the railway industry as a locomotive engineer, he has been working in the field. He is currently employed by PKP CARGO S.A. under restructuring, as a senior locomotive engineer.

For many years, he has been actively involved in community activities, representing the interests of railway sector employees.

Since 2005, he has served as President of the Railway Train Drivers' Trade Union in Poland. He is also the chair of the "Transport" Sector and a member of the OPZZ Presidium. He has repeatedly participated in negotiations concerning the functioning of the railway market, rail transport safety, and working conditions for railway employees.
