The Administrator of the sanation estate of PKP CARGO S.A. under restructuring (“the Company”) announces that on September 9, 2026, a motion was filed with the Regional Court in Warsaw, 4th Civil Division, in case no. IV C 1433/25, to resume the suspended proceedings regarding a claim for damages related to the so-called “coal decision.”

The motion was filed in connection with a lawsuit against the State Treasury seeking damages arising from the implementation of the so-called “coal decision,” the filing of which the Company announced on December 23, 2025, in Current Report No. 132/2025. The filing on September 9, 2026, of a motion to resume the suspended proceedings stems from formal issues, namely the expiration of the period for which the proceedings could have been suspended by the Court upon a joint motion of the Parties, in accordance with Article 182 § 1(2) of the Code of Civil Procedure. At the same time, the resumption of the suspended proceedings does not prevent the Parties from continuing their discussions aimed at reaching an amicable settlement.

The Company announced the suspension of the above proceedings in Current Reports No. 17/2026 dated March 4, 2026, and No. 19/2026 dated March 17, 2026.
